AMENDMENT

This Amendment is submitted in response to a non-final fourth office action in the above case dated April 16, 2009 ("OA4") in which the Examiner found that claims 6, 10, 16, 20, 30, and 34 are allowable, rejected claims 1-10 and 15-34 as directed to non-statutory subject matter (35 U.S.C. §101) and rejected other claims as obvious (35 U.S.C. §103) over cited art. On July 15, 2009, the attorney for Applicants and the Examiner held a phone interview discussing the rejections. Applicants amend the claims as discussed during the phone interview to overcome the Sec. 101 rejection. Applicants further amend independent claims 1, 11, 23, and 25 to include the requirements of allowable claims 10, 20, and 34 and cancel claims 10, 20, and 34 to place the Application in condition for allowance. Applicants submit that claims 1-9, 11-19, and 21-33 are patentable and in condition for allowance for the reasons discussed herein.
